OCI No. 1212/65

## CENTRAL INTELLIGENCE AGENCY Office of Current Intelligence 29 April 1965

## INTELLIGENCE MEMORANDUM

## Situation in the Dominican Republic As of 2000

- 1. As of 2000 we have received no information of a change in the tactical situation from an hour ago when the rebels still had the initiative.
- 2. Inside the capital—with the possible exception of the area held by the Wessin y Wessin forces at the Duarte Bridge—the food supply in the loyalists' warehouses appears adequate for anticipated needs. According to a Spanish message broadcast over VOA, a Food for Peace officer is taking over distribution of food to CARE, Red Cross, and Catholic relief agencies.
